Until you came, it felt like my world  
Was fallin apart at the seams  
All of my childhood dreams were empty and  
meaningless  
Until we kissed it seemed like the rain  
Was turnin my hopes into sand  
Ah, I was a yesterday man until I found you

It was as plain as the nose on my face  
That I was heading nowhere  
Then into my life came an angel of grace  
Sunlight in her hair  
Now love is the strangest emotion  
Cause just when  
I want you to stay  
Seems like youre changing, dont turn me away  
Dont turn me away

(CHORUS)

Oooh...

Im like a man in a mantle of black  
Who just saw the light.  
Who cast off the shadow when you gave him back  
The meaning to life  
Now love is the strangest emotion  
Cause just when I want you to stay  
Seems like youre changing, dont turn me away  
I want you to stay

(CHORUS ]
