ALL FOR LOVE MARQ KHAN

Every nite i watch you babe,
as you close your eyes to go to sleep,
i wonder why in heaven's name,
you wanna live your life with me.

Pre chorus
i've let you down
in so many way Girl!

every dream i ever had,
has never seen the light of day,
some of them have been so bad.
yet you won't turn away.

Pre chorus
i've let you down
in so many way Babe!

chorus
And nothing i say, and nothing i do
would change your mind.
And nothing i say, and nothing i do
would change your mind.

Everytime i look at you,
i find it hard to believe,
the kind of things that you would do,
just to hang around with me.

Pre chorus
i've let you down
in so many way Babe!

and i just can't understand,
after all that i've put you through,
you reach out a helping hand,
like what am i suppose to do.

refrain

I wonder if you are an angel
send from heaven, up above.
cause i just can't believe babe,
you would do it all for love.

and i wonder if you are an angel
send from heaven, up above.
cause i just can't believe babe,
you would do it all for love.....

all for love.

Outro chorus

And nothing i say, and nothing i do
would change your mind.
Sometimes I wonder if you are an angel
send from heaven, up above.

cause i just can't believe babe,
No i just can't believe you did it all for love.
said i just can't believe babe,
No i just can't believe it was all for love.
