Feat. DJ Erohin

Dj kill me by your music, wow, wow, wow, yeah
Dj kill me by, dj kill me by, kill me by your music, yeah
Dj kill me by your music, wow, wow, wow, yeah
Dj kill me by, dj kill me by, kill me by your music, yeah

Wanna die, in the rhythm, this is wonderful, wonderful,
wonderful, way
In this night, I call Dj play my song tonight, play my
song tonight
do ...say, yeah, yeah, yeah
Dj feel me morning kill that cause tonight we gonna
turn the love, yeah, yeah
Dance like nobody's watching, Dj screaming I got you
cause tonight we gonna turn the love, woh, woho, oh
wow oh

Dj kill me by your music, wow, wow, wow, yeah
Dj kill me by, dj kill me by, kill me by your music, yeah
Dj kill me by your music, wow, wow, wow, yeah
Dj kill me by, dj kill me by, kill me by your music, yeah

Dj feel me, hold me, kill that
cause tonight we gonna turn the love, yeah, yeah
dance like nobody's watching, dj screaming I got you
cause tonight we gonna turn the love, woh, woho, oh
wow oh.
