You the type to wanna make it  
This , with the body thinking move me while you  
dreaming  
Hit it tightly with that dress around your waist  
Ain't nobody do it , yeah, yeah, turn the lights out

Cause you're a spender, spender, you got shit like that  
Girl you a killer, girl you shut it down  
Girl you untouchable, let me take out full control  
Give it to you how you really need it

Let me the one to love you when the lights go down  
Baby let me the one to love you when the lights go  
down

Girl you ain't gotta fantasize, cause I see it in your eyes  
tell me you want it so slow  
So baby let me the one to love you when the lights go  
out, come down

Cause I can be just what you need, come here to me,  
Girl I, I got it, turn the lights out  
Just lay you down, I got you now,  
Don't , around, girl, I, I got it

You got what I'm needing baby it's official  
The way your work it barely know who , you  
So if it's possible, you and me could take it's low  
Work it till your body's yelling for me, I'm saying

Cause you're a spender, spender, you got shit like that  
Girl you a killer, girl you shut it down  
Girl you untouchable, let me take out full control  
Give it to you how you really need it

Let me the one to love you when the lights go down  
Baby let me the one to love you when the lights go  
down

Girl you ain't gotta fantasize, cause I see it in your eyes  
Tell me you want it so slow

So baby let me be the one to love you when the lights go  
out, come down

There ain't nobody who deserves you girl like I deserve  
your love

So if you feel me like I feel you and you're with me like  
I'm with you

Baby don't be shy, listen up

I can be your man, love you right in, all through the  
night

I ain't looking to play with you baby

I don't mean no damage, just listen to your heart

And I'm down on my knees and I'm begging baby  
please

Let me be the one to love you when the lights go down

Baby let me be the one to love you when the lights go  
down

Girl you ain't gotta fantasize, cause I see it in your eyes

Tell me you want it so slow

So baby let me be the one to love you when the lights go  
down.

Thanks to Andrei
