Do you recall it's name?
As it suggested beck and call
This face and heel
Will drag your halo through the mud
Ash of Pompei
Erupted in a statues dust
Shrouded in veils
Because these handcuffs hurt too much
Still scalping these ticketless applause
and when they drag the lake
theres nothing left at all...

Sutured contusion
Beyond the anthills of the dawning of this plague
Said, "I've lost my way"
Even if this cul-de-sac would pay
To reach inside a vault
Whatever be the cost
Sterling clear blackened ice
and when they drag the lake
Theres nothing left at all...

I've defected...

Sutured contusion
Beyond the anthills of the dawning of this plague
Said, "I've lost my way"
Even if this cul-de-sac would pay
To reach inside a vault
Whatever be the cost
Sterling clear blackened ice
and when they drag the lake
Theres nothing left at all...

I've defected...

River, yeah,
Show me home, oh yeah
When I'm over the edge
Give me just one more taste, yeah

Tell you all about the river
Take away
Dipped in from your can of roads
And if you turn back, turn away
Slowly

Read me your hand now
Maybe we're over
Don't be talking
Whoa, yeah

May return
Right now wait
Oh yeah

Do you play home?
Just another way out
Just another way out

[Track 9: "Pt. 1"]

When I first met you
Underneath your sheets I'd wait
How could I forget you?
The tiny incision that you made
Tied my hands over your eye
Sweet forever never mine
When will you return

Give me just one more taste
Give me just one more night
Give me just one more
Give me just one time
Give me just one time
Give me your one
I need your one

Show me how
Stick in something
Right here, now

When did you see me toke in our room?
When did you totally saturate?
Living toe to toe
Rocking toe to toe
We're still toe to toe

[Track 10: "Pt. 2"]

Will you bleed with me, too?
Say you're mine

Baby, say you're mine
Oh no

Our love will drip all over the floor
I will spill your blood like wine
I just wanted one more taste
Beneath the sheets I will now wait
Give me honey, oh yeah
??? for all you know

I did something wrong
And na na na not mine
Na na na not mine

Yeah, yeah

I'm so afraid
Turn out the light, now

Give me a little
Give me just a taste

I've gotta hurry

[Track 11: "Pt. 3"]

A ver, confiesa Omar

Ooooh yeah
Ooooh yeah

Give me your hand

Give me one more chance, now
Give me one more chance
Stay all night
Do you ???

My mother said
To get things done
You better not mess
With Major Tom

My mother said
To get things done
You better not mess
With Major Tom

Come on, grab my hand
Take you by my hand

Now, now, now, now
Now, now, now, now
Yeah, yeah

Baby...

[Track 12: "Pt. 4"]

[Sound Collage]

Oh

Come on, man, we were in love when I met you
Gave me all your love when I met you
Say you don't, baby

Inside your head
When you sleep at night
I'll be waiting, waiting, waiting

Oh, now
Baby take my hand
Honey, take my hand
Together
Together
We will take
The gates
Of Heaven
Baby, I am
Maybe I'll let
Maybe I'll let you have one bite

Let me inside
Wanna crawl inside
Underneath your pillow
All night

Oh yeah, now
Baby, may I
Right now?

Beyond the anthills
Of the dawning
Of this plague
Well, I lost my way

Do you?
Do you wanna?
Do you?
Tell me
Do you?

Rise
Rise
Arrive
Ride

Beyond the anthills of the dawning of this plague
Said, "I've lost my way"
even if this cul-de-sac did pay
beyond the anthills of
beyond the anthills of
said ive lost my way
even if you
even if you
even if you
who reached inside a vault
whatever be the cost
sterling clear blackened ice
and when they drag the lake
there's nothing left at all

I've defected...

Thank you
Thanks for coming out everybody, go home and take a
bath
