when the chants have cycled  
how can i go wrong  
there will be no eve for adam  
if your apples have gone  
i need a brand new skin  
incarnated debts  
incarcerated when  
the deeds are left  
to purchase

if you could see  
where i've been  
you'd touch  
the hand that's  
touching sin  
entity ingredient  
a mass of  
blackened scapes  
begins

cypher is filled  
with a  
blanket of clots  
taking everything  
i've got  
please let me in

i need a  
brand new skin  
incarnated debts  
incarcerated when  
the deeds are left to purchase

if you could see where i've been  
you'd touch the hand  
that's touching sin

entity ingredient a mass of  
blackened scapes begins

follow me tonight

follow me into oblivion

if you could see  
where i've been  
you'd touch the  
hand that's  
touching sin  
entity  
ingredients a  
mass of  
blackened  
scapes begin  
i seem to hide  
in metal plates  
held together  
alone  
don't wait  
hide with me  
indentity  
until we've past  
due date

can't spot through  
the lens  
bleeding through your  
sanctuary  
intention accident  
bleeding through your  
sanctuary
