L' Via  
Hija de Miranda  
Tu apellido se cambiÃ³  
L' Via  
Sin ojos me quieres dar  
Una historia sin mi madre  
Solo tengo que decirte  
El dolor de noche dice  
"Solo se quedÃ³ el vestido  
Le lavÃ© la sangre"

L' Via  
No dejes de descansar  
En la calle caminas  
Â¿QuiÃ©n te va a perseguir?  
L' Via  
Te quieren matar  
Dientes de machete  
Cabezas de gallo  
L' Via  
Durmiendo en paz  
Abre los ojos  
Todo cambiarÃ¡  
L' Via  
Sonado de venganza  
Yo te lo juro  
lo van a pagar

Blackmailed,  
she fell off every mountain  
The ones they tightly wrapped in tape  
In her eraser sang the guilty  
As it behead the best mistakes  
And with everybody that I find  
And with every claymore that they mine  
I won't forget who I'm looking for  
Oh mother, help me I'm looking for

Solo tengo una hora  
y me duermo terminado  
por veinticinco aÃ±os pasaron  
siguen los cuerpos aqui temblando  
tomÃ© la sangre  
comÃ© del cuerpo  
mis lÃgrimas  
quebrÃ³ el espejo

When all the worms come crawling out your head  
Telling you: "don't you be afraid"  
When all the worms come crawling out your head  
Telling you: "Don't you be afraid"

Blackmailed,  
she fell off every mountain  
The ones they tightly wrapped in tape  
In her eraser sang the guilty  
As it behead the best mistakes  
Shark kites got tangled in the moleskin  
Urgent plea of escape  
A mouth to mouth on the chalkboard  
Written in fingernail distaste  
And with everybody that I find  
And with every claymore that they mine  
I won't forget who I'm looking for  
Oh mother, help me I'm looking for

Oh mother, help me I'm looking for
