Take.
Rob this world of resource.
Burn the oil for fortune.
Stealing from our savior.
In quest of power. Sealed.
Our fate is catastrophic.
The coming days of failure.
Aborting evolution.
In quest of power.

Take all you want and these bloody skies will reign.
Take what's hers and these bloody skies will reign.
These bloody skies will reign.
These bloody skies will reign.

Oh mother, close your eyes.
These bloody skies will reign.
Dear savior,
brace your heart.
These bloody skies will reign.
Oh mother close your eyes.
These bloody skies will reign.
Dear savior, brace your heart.

You.
Take.
Rob this world of resource.
Burn the oil for fortune.

Stealing from our savior.
In quest of power.
Sealed.
Our fate is catastrophic.
The coming days of failure.
Aborting evolution.
In quest of power.

Blackened lives.
Sunless skies.
Our bare world weeps.
Black hearts now reign.

Blasphemous corruption.
Control progression.
Our bare world weeps.
Black hearts now reign.
Black hearts now reign.
In solitude a lonely voice is heard.
This future of despair is easy to avoid.
This future of despair is easy to avoid.
Lies strangle this world's hope.

In quest of power.
In quest of power.
In quest of power.
In quest of power.
In quest of power.
In quest of power.
