Oh, oh...

1 - Falling in love, falling in love again  
Falling in love again with you  
Falling in love, falling in love again  
Falling in love again with you

Sometimes I think about you  
And I remember all the things we went through  
And I realize that I need you  
I've fallen so in love with you

Repeat 1

Oh it's funny how things change  
Not long ago I thought my love for you would fade  
away  
Your love gets sweeter everyday  
So in love with you I want to stay, so baby

2 - Promise that you'll stay  
Never take your love away  
Cause I need your love  
You're stuck in my heart  
Don't you know  
And the feeling is strong  
And I can't let you go

Repeat 1

Repeat 2

Repeat 1

I'm all that you want and more  
I just want to close the door  
And share my love, and share my love  
I just want to be with you  
Show you that my love is true  
What you don't see believe in me

Repeat 1
