

Unearth "Truth of Consequence"

Visit "[Truth of Consequence](#)" on MotoLyrics.com

We've bid our time
All patience claimed
Content with nothing
Our lives lived not in vain

Not in vain
It's calling - It's calling
I fear the hold as met is end

It's truth or consequences
Each wall built must fall
It's truth or consequences
This wall will fall

I fear the hold as met is end

I'm drowning
Anger my bitter breath
I'm drowning
We've bid our time
All patience claimed
Content with nothing
Our lives lived not in vain

It's truth or consequences
Each wall built must fall
It's truth or consequences
This wall will fall

I'm drowning
Anger my bitter breath
It's calling
Anger my bitter breath
