It was last night  
On the midnight train back home  
I ran into this one  
Yet unfamiliar tone  
I know i should have known  
It was last night...  
I knew i should have known.  
Chaos!  
Our busy minds asleep  
We drudge across the land  
Is this the coming end  
Of our monarchy.  
Harmless!  
We meet increased demands  
Is this the life we all  
Had in our dreams  
Our eternal nightmare.  
All of us are blind to others!  
(All of us are blind to others)

Background  
Hide behind our plans to nothing!

Bridge

Solo

Cage us!  
We weep in self defeat  
All humanity is lost  
In this eternal  
Nightmares.  
All days are lost...  
To conditioned zones  
All days are lost...  
To what we know.  
Free us!  
A piece of mind  
Gone are dreamers  
Who strive to know.  
All days are lost...

## Background

Free us!  
A piece of mind.  
Gone are dreamers  
Who strive to know.  
All of us are blind.
