Why do I fall in her hands,
Giving her all that she desires?
When he returns she closes her door,
Let me alone, with no lover!
She got me now waiting alone,
While I ain't got no better
Cause you touching me where it burns,
This time I had it known!

Chorus:

See what you're feeling, now,
Cause I can't get it pulling back!
Let me know,
Cause my heart got me buggin' out!
Feel me now, cause I just can't get it pulling back
Let me know,
See my heart got me buggin' out!

She's giving me all the pain
I thought I will never, never feel.
And every time I look in her eyes
I keep searching something real!
You got me now waiting alone,
While I ain't got no better term,
Cause you touching me where it burns,

This time I had it known!

See what you're feeling, now,
Cause I can't get it pulling back!
Let me know,
Cause my heart got me buggin' out!
Feel me now, cause I just can't get it pulling back
Let me know,
See my heart got me buggin' out!

My heart is dancing, dancing, dancing!
Must be the music!
I've been shot by Cupid,
It must be the music!

See what you're feeling, now,

Cause I can't get it pulling back!
Let me know,
Cause my heart got me buggin' out!
Feel me now, cause I just can't get it pulling back
Let me know,
See my heart got me buggin' out!
