CHORUS x2

Every time [time] you [you] walk away  
I wish a star [star] guides you my way  
I'd keep you mine forever and a day  
I'd do everything and to make you stay with me

God knows I'm always down when you are gone  
Never ever left feeling so alone  
I wish I could make you stay tonight  
'Cos my room gets so cold sometimes  
[Oooooohhhh]  
You're love is everything I've been waiting for [oooh]  
Having you around is piecing my heart [woohhh]  
I don't want another hows and whys  
But theres not a day I don't wanna leave with you

CHORUS

Stay with me x2

Thoughts of you with me just ran through my mind  
Only you could be the queen of my heart [of my heart]  
Baby girl you're lyrical so doni¿½
