I had my coffee and I waited for a while  
I was waiting for your smile  
But you never came

I wasn't thirsty, but I poured down every drop  
I was so sure you'd show up  
But you never came

So maybe you just couldn't find the time  
There might have been an accident,  
It might have slipped your mind  
I know you didn't mean to let me down  
M-mm

You had that shirt on, that makes you stand out in the crowd  
And you said I made you proud  
Last night

You said  
"I need you and I'll never let you go  
I'll be sure to let you know every day"

So maybe you just couldn't find the time  
There might have been an accident,  
It might have slipped your mind  
I know you didn't mean to let me down  
M-mm

(M-mm-m-m-mm)

Maybe you just couldn't find the time  
There might have been an accident,  
it might have slipped your mind  
I know you didn't mean to let me down  
I know you didn't mean to let me down  
I know you didn't mean to let me down  
But you did
