It's quiet out the moon is sleeping  
The stars take their place up in the sky  
Now close your eyes it's time for dreaming  
As I sing to you this lullaby.  
Goodnight sweet child goodnight  
You are Gods' delight  
So precious in His sight  
Goodnight, goodnight.  
Goodnight sweet child goodnight  
Angels take their flight  
To watch over you tonight  
Goodnight, goodnight.  
Dreamland has come and it is peaceful  
It's where imaginations fly  
These safe and loving arms that keep you  
Will always be by your side.  
Goodnight sweet child goodnight  
You are Gods' delight  
So precious in His sight  
Goodnight, goodnight.  
Goodnight sweet child goodnight  
You are Gods' delight  
So precious in His sight  
Goodnight, goodnight.
