Twinkle, twinkle little star  
How I wonder what you are,  
Up above the world so high  
Like a diamond in the sky  
Twinkle, twinkle little star  
How I wonder what you are.  
When the blazing sun is gone  
When he nothing shines upon  
Then you show your little light  
Twinkle, twinkle, all the night.  
Then the traveller in the dark  
Thanks you for your tiny spark  
He could not see which way to go  
If you did not twinkle so  
Twinkle, twinkle little star  
How I wonder what you are.  
In the dark blue sky you keep  
And often through my curtains peep  
For you never shut your eye  
Till the sun is in the sky

Twinkle, twinkle little star  
How I wonder what you are
