I've Got A Crystal Clear Conscience And An Alibi
An Accidental Overdose That Flew Too High
If It Weren't For This Ambivalence I'd Feel Alive

If You're Looking For Advice
On Broken Hearts And Tragedies
I've Found The Perfect Truth
Believe The Ones Who Love You Really Do

I Have A Method To My Sadness It Gets Me By
Something Missing Yet To Be Identified
You'll Need More Than Just Coincidence To Prove I Lied

If By Chance You Get This Message
Vapor Air Will Take You There
I've Been Hiding Imperfections
Bring Them With You Make Connections

For The Last Time
I'm Evening The Odds Of Repeat
Underestimated
Be Polite So Nobody Leaves

I Have Been Doing Some Very Bad Things
Greater Complications Are Now Evening Against Me

Given Time All Will Fade
Just As Though It Never Happened

I've Got A Bitter Disposition And A Guarantee
If You Advance Without Permission There'll Be
Casualties
And If I Don't Complete My Vision You Will Not Miss Me
If You're Looking For Advice
On Broken Hearts And Tragedies
I've Found The Perfect Truth
Believe The Ones Who Love You Really Do

I Have Experimental Cold Emotion Energy
Here's My Confession And A Motive For Your Mystery
You Think You Have Found A Clue But It's A Trilogy

If By Chance You Get This Message
Vapor Air Will Take You There
I've Been Hiding Imperfections
Bring Them With You Make Connections

For The Last Time
I'm Evening The Odds Of Repeat
Underestimated
Be Polite So Nobody Leaves

I Have Been Doing Some Very Bad Things
Greater Complications Are Now Evening Against Me

Given Time All Will Fade
Just As Though It Never Happened
