It's Not That It Feels Good
It's Just That It Feels
Better Than The Rest

It's Not That He Loves Her
It's Just That Her Love
Is Better Than His Best

There Will Be No Escape

I Wish You Could See
The Looks On Your Faces
As This Spark Begins To Take Shape

There Will Be No Escape

Time And Time I Get Up Again
But I Don't Ask Why
Soon I Know I'll Crash Again
Visionaries Cry

And Who Are You To Question My Ways
Maybe I Find Comfort
In Ending Myself Just A Little Each Day

There Will Be No Escape

I've Walked Around This Circle Once Before
And Every Time I Make It Round
I Seem To Hit The Floor

There Will Be No Escape

Now And Then I Get Up Again
So I Don't Ask Why
Soon I Know I'll Fall Down Again
Visionaries Cry
