let's get right to it  
your man's locked up  
but someone's gotta do it  
i 95 drive south in the winter  
got a trunk full of birds they fly south for the winter  
i ain't tryin to get locked up tonight  
but i told him i will put that on my life  
so i gotta riiiiide  
i'm a rider, i'm a provider  
type of chick to take the stand and say  
"your honor i was beside him all night  
yes i promise"  
but i gotta ("half a brick of yay")  
and thats the problem

[chorus]

i got a... "half a brick of yay in her bra  
half half a brick of yay in her bra where her titties at  
and i'm flippin flip flip flippin that"

boy is it ok for me to pull over the car  
when i get tired i try to go with no sleep  
oh boy i got that work wrapped dead tight  
coffee grounds to throw off them dogs and police  
oh boy cause i aint trying to get locked up tonight  
but i told him i will put that on my life  
so i gotta riiiiide  
i'm a rider, i'm a provider  
type of chick to take the stand and say  
"your honor i was beside him all night  
yes i promise"  
but i gotta ("half a brick of yay")  
and that's the problem
