i still recall the taste of your tears.
echoing your voice just like the ringing in my ears.
my favorite dreams of you still wash ashore.
scraping through my head 'till i don't want to sleep
anymore.

you'll make this all go away.
you'll make this all go away.
i'm down to just one thing.
and i'm starting to scare myself.

you'll make this all go away.
you'll make this all go way.
i just want something.
i just want something that i can never have
you were the one to show me how
back there i couldn't do the things that i can do now.
this thing is slowly taking me apart.
and grey would be the color, now, if you had a heart.

come on and tell me
you'll make this all go away.
you'll make this all go away.
i'm down to just one thing.
and i'm starting to scare myself.

in this place it seems like such a shame.
though it all looks different now,
i know it's still the same
everywhere i look you're all i see.
just a fading fucking reminder of who i used to be.

come on tell me.
you'll make this all go away.
you'll make this all go away.
i'm down to just one thing.
and i'm starting to scare myself.

you'll make this all go away.
you'll make this all go way.
i just want something.

i just want something that i can never have
i just want something that
i can never have
