Now baby  
Like the sweet morning dew, I took one look at you  
And it was plain to see, you were my destiny  
With arms open wide, I threw away my pride  
I'll sacrifice for you, dedicate my life to you  
I will go where you lead  
Always there in times of need  
And when I lose my will  
You'll be there to push me up the hill  
There's no, no looking back for us  
We got love sure 'nough, that's enough  
You're all, you're all I need to get by  
Like an eagle protects his nest  
For you I'll do my best  
Stand by you like a tree  
Dare anybody to try and move me  
Darling in you I found  
Strength, when I was thrown down  
Don't know what's in store  
But together we can open any door  
Just to do what's good for you  
And inspire you a little bit higher  
I know you can make a man  
Out of a soul that didn't have a goal  
'Cause we, we got the right foundation  
And with the love and determination  
You're all, you're all I want to strive for  
And try a little more for  
All, all the joys under the sun  
Wrapped up into one  
You're all, you're all I need, you're all I need  
All, all, to get by  
(You're all I need)  
Baby, baby, baby, yeah, love  
Oh, ooh, nothing baby, nothing baby  
Ooh, true baby, oh no  
Nothing in this world, no baby  
Nothing, baby  
Ooh, all I need
