You're The Best Thing

It could be discontent

Chase the rainbows end

I might win much more but lose all that is mine

I could be a lot but I know I'm not

I'm content just with the riches that you bring (riches
that you bring)

I might shoot to win

And commit the sin

Of wanting more than I've already got

I could runaway but I'd rather stay

In the warmth of your smile lighting up my day (lighting
up my day)

The one that makes me say

Chorus:

('Cause) You're the best thing that ever happened

To me or my world, heh hey yeah

You're the best thing that ever happened

So don't go away

I might be a king

Steal my peoples things

But I don't go for that power crazy way

All that I could rule, I don't check for fools

All that I need is to be left to live my way

So listen what I say...

Repeat Chorus

Heh, hey yeah.

Bridge:

(From the soul of me), baby

You're the best for me

Cover up my dreams

But take these chains from me!

Hooo...

Hooo...

Repeat Chorus

Baby, baby

Repeat Chorus except last word

I said

(Don't go)

No, no

(Don't go away)

Yeah...
