You and I, we've got a lucky li-ife
Times may be hard though we still get by-y
There were days when our world tore apart
And a meaningless word broke a heart

You and I, we've got a lucky li-ife
Times to rejoice and other times to cry-y
Too soon we forget the price that we pay
When young hearts get taken away

One last kiss, another slammin' door
Tear-stained eyes, so unsure-ure
Killin' time, what's fair in love and war?

All of the peo-eople, all of them waiting, in love as in
war

It's a crime, oh it's a cryin' sha-ame
Killin' time, another mindless ga-ame
All the loves that we lose and misplace
In the face of it all gone insane

One last kiss, another slammin' door
Tear-stained eyes, so unsure-ure
Killin' time, what's fair in love and war?

All of the peo-eople, all of them wai-aitin', in love as in
war
Lonely peo-eople, waitin' for someone, in love as in war

One last kiss, another slammin' door
Tear-stained eyes, so unsure-ure
Nobody knows what they're fightin' for
Killin' time, what's fair in love and war?

All of the peo-eople, all of them wai-aitin', in love as in
war
Lonely peo-eople, waitin' for someone, in love as in war

All (all the people), all of the peo-eople, (watching,
waiting)

All of them wai-aitin' (all the people), in love as in war
(All the people), lonely people, (watching, waiting)
Waiting for someone, (all the people) in love as in war
(All the people, watching, waiting, all the people) (fade)
