"If I Could"

Visit "[If I Could](#)" on MotoLyrics.com

If I could paint, I'd paint a portrait of you
The sunlight in your eyes, a masterpiece of truth
And a single tear like a silent prayer
That's shinin' so much brighter than a diamond ever
dared
If I could do anything at all, I'd do it for-or you

If I could write, I'd write a book for you
A tale of hidden treasures with an I.O.U.
And a million words wouldn't say a thing
That won't be said in three words
Where love's the central theme
If I could do anything at all, I'd do it for-or you

Darlin' can't you see, what you mean to me
Anything I could do I'd do it for you
Darlin' don't you know, just how far I'd go
Anything I could do, I'd do it for you-ou

Sometimes I feel so second-rate
Seems lovin' you was my greatest mista-ake
I know I'm insecure and love don't keep score
But I wish I could give you more-ore

If I could play, I'd play up a storm for you
A ragin' sea of passion that you never knew
Every whispered sound would touch your heart
And maybe for a moment I could be your favourite star
If I could do anything at a-all
If I could, I'd give you more-ore
If I could do anything at a-a-all, I'd do it for-or you

And darlin' can't you see, what you mean to me
Anything I could do I'd do it for you
And darlin' don't you know, just how far I'd go
Anything I could do I'd do it for you-ou
And darlin' can't you see, you mean the world to me-ee
Anything that I can do I'll do it for you
And darlin' don't you know, just how far I'd go
Anything I could do I'd do it, do it for-or you
I'd do it, do it for-or you
