When I'm lost in a strange place, I'm scared and alone  
When I'm wishin' for hope, that's when I think of you  
When the load gets too heavy, too much to bear  
When I'm goin' no where, there's no one there  
And I'm feelin' like a fool

That's when I think of you, it's all that I can do  
I'd go ma-a-ad, if it wasn't for you  
When I'm caught in the cross-fire, the ?.....?  
make it right  
When I wake in the night, that's when I think of you-ou  
When I'm halfway to heaven, three parts in he-e-ell  
And it's all just as well, I can't even tell, I'm lost without  
a clue

That's when I think of you, it's all that I can do  
I'd go ma-a-ad, if it wasn't for you  
If not for the heart of you, a promise of dreams come  
true  
I'd go ma-a-ad, if it wasn't for you

When I'm lonely for lovin', so far from ho-o-ome  
And it feels like I'm in the twilight zone  
And I just can't make it through

That's when I think of you, it's all that I can do  
I'd go ma-a-ad, if it wasn't for you  
If not for the thought of you, the promise of dreams  
come true  
I'd go ma-a-ad, if it wasn't for you

Oh, I'm always thinkin' of you, it's all that I can do  
I'd go mad, not bein' with you  
If not for the thought of you, the promise of dreams  
come true  
I'd go mad, not bein' with you

I'd go mad, not bein' with you

I'd go mad (fade)
