Once there was a man who had a dream of a new world  
No more empty words, just simple human fee-eelin'  
He'd lie awake at night and dream of a new age  
fantasy  
Something to believe i-in

Why?  
Won't somebody te-ell me why  
Doesn't anybody take the time, to try  
To see the greatest dream will never-er die  
In the eyes of every child?

Once there was a man who dreamt of hope  
In a fair world, everyone had rights like each and every  
other  
He'd lie awake and dream of peace, in a good world,  
what could be  
No more than we can wonder

Why?  
Won't somebody te-ell me why-y  
Doesn't anybody take the time to try  
To see the greatest dream will never-er die  
In the eyes of every chi-ild?

Once there was a man who had a dream of a new world  
All the people free and every life had mea-eaning  
Some may say that dreams are the gold in a rainbow  
If we never took the time to dream we'd never find the  
a-answer

Why?  
Won't somebody te-ell me why-y-y  
Doesn't anybody take the time to try  
To see the greatest dream will never-er die  
In the eyes of every child?

Why-y-y?  
Won't somebody te-ell me why-y-y  
Doesn't anybody take the time to try-y-y  
To see the greatest dream will never-er die

In the eyes of every child?

Once there was a man who had a dream of a new world  
Thank God some people take the ti-ime to dream
