Lady of the morning
Blow the mist away
And let me see the sun
Just this once I beg of you
And then I'm on my way

Oooh, my lady
Oooh, my lady
Oooh, my lady of the morning
Smile a smile for me

And let me feel the glow
Let me know that you'll be waiting here
To make it right
You know you'll make it right

(Chorus)
When I come back to stay
Hey, hey, hey
And on that happy day
There's gonna be love, love, love
Love, love, love
Love, love, love

Lady of the morning
Blow the mist away
And let me see the sun
Just this once I beg of you
And then I'm on my way

Oooh, my lady
Oooh, my lady
Oooh, my lady of the morning
Smile a smile for me

And let me feel the glow
Let me know that you'll be waiting here
To make it right
You know you'll make it right

(Chorus)
