(Chorus)

Lonesome mole, I live alone, I sleep in a hole in the ground

Quite content, I've been all round, I sleep in a hole in the ground

Oh, me-oh...Oh, me-oh-my!

Lonesome mole, I live alone and have a little mole of mine.

(Verse 1)

I had a letter from my mother the other day

She wondered why it was - I had not been around

I said, "Now, mother, see I've dropped out of society

And now I'm groovin' in the underground."

(Chorus)

(Verse 2)

I used to worry 'bout those little things in life

Like what would happen if I didn't make the grade

But I got tired o' that and now I know just where I'm at

I'm crazy 'bout this little scene out there

(Chorus)
