Marmaduke, dear Marmaduke, have you seen your  
brother, Luke?  
Took him off to fight a war, together we will laugh no  
more oh-oh.....

He was born for her you see, now he's gone for eternity  
I say, "Luke, he gave all his love and a son to be proud  
of....oh-oh.....

Marmaduke, dear Marmaduke, have you seen your  
brother, Luke?  
Took him off to fight a war, together we will laugh no  
more oh-oh.....

I say, sisters, hide your brothers before they march  
them up to war  
Ladies, hide your lovers before they knock on your  
front door

Marmaduke, dear Marmaduke, have you seen your  
brother, Luke?  
Took him off to fight a war, together we will laugh no  
more oh-oh.....

They were married just one year when Luke said  
"Goodbye my dear"  
Didn't know that her life would change,  
but it did when he got on that train oh-oh.....

Train, choo-choo-choo-choo train,  
choo-choo-choo-choo train,  
choo-choo-choo-choo train.

I say, sisters, hide your brothers before they march  
them up to war  
Ladies, hide your lovers before they knock on your  
front door

Marmaduke, dear Marmaduke, have you seen your  
brother, Luke?  
Took him off to fight a war, together we will laugh no

more oh-oh.....

Train, choo-choo-choo train,  
choo-choo-choo-choo train,  
choo-choo-choo-choo train. (fade out)
