Lonely one at young so broken hearted
Traveling down the rigid road of life
Using Pharmaceutical extractions
To find their paradises
Finds the high but comes down
feeling lower
Gets down on their knees and
starts to pray
Looking up to heaven for the answer
To hear a voice that says

Chorus
You will know troubled heart
you'll know
Problems have solutions, trust and
I will show, you will know
troubled heart you'll know
Every life has reasons for I made it so

Single parents trying to raise
their children
But they would much rather not alone
Reaches out to find that
special someone

To make their house a home
Finds someone but no one is
the right one
Gets down on their knees and
starts to pray
Looking up to heaven for the answer
They hear a voice that says

You will know, lonely heart you'll know
problems have solutions, trust and I will show
You will know, lonely heart you'll know
Every life has reason, for I made it soo

Oooooo Oooooo

You will know, toubled heart you'll know

Problems have solutions, trust and I will show
You will know, troubled heart you'll know
Every life has reason, for i made it sooo

You'll know, lonely heart you'll know
problems have solutions, trust and i will show
You will know, lonely heart you'll know
Every life has reason, for i made it sooo

You'll know
