Momma.. MOMMA..
I love my momma
I LOVE MY MOMMA..
Through all the drama..
Momma.. MOMMA..
I love my momma
Check it out

[singer]
The first one to hold me (yeah)
The first one to scold me (yes-o)
You never cease to teach me
And always try to reach me (momma..)
Took me to school the first day
Taught me how to kneel, down and pray (amen)
You learned me how to count from one to ten
And never forget, where I've been
Momma..

[Snoop]
Yeah, I love my momma
Through all the drama, I love my momma (I love my
momma)
Through all the drama, I love my momma
Yeah, I love my momma -- love you momma (momma!)
I love my momma
Through all the drama, yeah I love my momma
I love you mom (momma!)
I love my momma
Through all the drama, yeah I love my momma
I love you momma (I love you momma)
Yeah, I love you momma, yeah, I love you momma
(listen here) Trip..

[singer]
You taught me how to care (uhh)
You taught me how to share (f'real)
You taught me how to love and to give
thanks to the one above -- I love you momma

[Snoop]

Yeah, I love my momma

I love you momma, I love my momma -- I love you
momma

I love you momma [I love you momma]

I love my momma [I love you momma]

I love my momma (now you tell em Snoop)

You taught me how to read and write, how to fight

My do's and dont's, my wills and my wont's

I'll never forget, the things that we went through

Bangin oldies in the livin room, sippin brew

Schlitz Malt Liquor was the thing back then

My momma was my homey my daddy, and my best
friend

Ask the Twinz, them my lil locos to the end

And Warren G and Nate Dogg, shit them my true
friends

Time and time again, I'ma spit this rhyme again

She the queen in my life, and I'ma make sure she gon'
shine again

She taught me everythang, but she didn't charge a fee

She taught me everythang, except how to see a G

For the nine months you carried, I hope you bury me
instead of the other way around, and I put that on Dogg

Pound

I made you cry, you made me smile

I just wanna say I love you for life

and that's the reason why I'm here now

Love, Snoop

I love my momma, yeah..

I love my momma [I love you momma]

Yeah, I love my momma [I love you momma]

Through all the drama, yeah, yo, yeah, I love you [I love
you]

Momma, momma, momma, momma, I love my
momma

Momma, I love you momma

I love you momma

Momma, momma

[singer]

Your money wasn't always long (fo' sho')

But your heart was forever strong (momma.. momma..)

You taught me bout faith and hope

And never ever get hooked on dope

Momma.. (I love you, I love you momma)

I love you momma.. (throught all the drama, I love my
momma)

* song fades *
