I'm right here beside you  
can't you feel me  
Barely alive

I stole your breath away  
But where are you now?  
Why can't you stay with me?  
I'm falling slowly

Breathe in me  
Make me see the truth  
Did you ever love me?  
Did you ever love me?

Frozen to the ground  
Would you care if I were somebody important?

Standing here before you  
Fading, you're fading  
Away from me

Breathe in me  
Make me see  
See me  
Did you ever love me?  
Did you ever love me?  
Did you ever love me?  
Did you ever love me?  
Did you ever love me?
