Take my heart
and make it yours
Drain my blood
and nothing more
I've lost all my hope
You'll never be mine
So could you tell me
how it feels to be alive

So I'll drown
I'll drown
In my fear of being forgotten
And I'll dream
I'll dream
Of you

I fall into your arms
escape from ?
I hid for so long
I don't want this to be real
and I face something now
that I never thought I would
So hold me tight
for I remember

that I'll drown
I'll drown
in my fear of being forgotten
And I'll dream
I'll dream
Of you

(Instrumental)

Because I'll drown
Because I'll drown
if I fear of being forgotten
Because I'll dream
I'll dream
Of you
