Let's go  
Just in time, you found me just in time  
Before you came my time was running low  
I was lost, then losing dice were tossed  
My bridges all were crossed, nowhere to go  
Now you're here, now I know just where I'm going  
No more doubt or fear I've found my way  
For love came just in time, you found me just in time  
And changed my lonely nights that lucky day  
Just in time  
Before you came my time was running low, oh baby  
I was lost, then losing dice were tossed  
My bridges all were crossed nowhere to go  
Now you're here now I know just where I'm going  
No more doubt or fear, I've done found my way  
For love came just in time, you've found me just in time  
And changed my lonely nights, and changed my lonely  
nights  
Oh, oh, oh, oh  
And changed my lonely nights  
And changed my lonely nights, oh  
And changed my lonely nights that lucky day
