A ray of hope flickers in the sky
A tiny star lights up way up high
All across the land dawns a brand new morn'
This comes to pass when a child is born
A silent wish sails the seven seas
The winds of change whisper in the trees
And the walls of doubt crumble tossed and torn
This comes to pass when a child is born
A rosy hue settles all around
You've got the feel you're on solid ground
For a spell or two no one seems forlorn
This comes to pass when a child is born
And all of this happens because the world is waiting
Waiting for one child black, white, yellow, no one knows
But a child that will grow up and turn tears to laughter
Hate to love, war to peace and everyone to everyone's
neighbor
And misery and suffering will be words to be forgotten,
forever
It's all a dream, an illusion now
It must come true some time soon somehow
All across the land dawns a brand new morn'
This comes to pass when a child is born
