[Paul and J intro]

[Verse 1]

Wrapped in the bay, fuck what you say  
Clique tight with, Paul and Juicy J  
They paved the way, this where I stay  
I will react, stay to your place  
Frayser's the name, don't fuck with lames  
I'm still the same, don't fear no man  
Hyp-no-tiz-ing yo' mind  
We don't fuck with your kind  
Bay since my birth, fuck with the real  
You know the deal, get it how you live  
Hand-lin' that, fuck with the gat  
Don't cross me, what's up with that  
Blown a-way, so don't hate  
Fi-nal-ly here, gone on that bay  
Tryin to get a meal, fuck how you feel  
No fakin in me, I keep it real  
Frayser Boulevard, is where I mob  
Coming through the bay alone, you robbed  
HCP tatted in blood on my arm, act a fool, left arm  
harmed  
All-star cast, and we'll blast  
Fuck with us, you won't last  
I ha-rass, check my past  
Hope you understand, clear like glass  
It's time to shine, money on my mind  
Still on the grind, will commit to crime  
Hypnotize Minds running this shit  
Haters on the town, wish they was with  
Light your blunts up, listen to some bump  
Paul and Juicy beats, damaging your trunk  
Holdin it down, for the M-town  
Turning haters smiles, into some frowns

[Chorus x4]

Fuck you haters now, what you gon' do?  
Bring it to the door, it's on you  
Gone on that bay, thought you knew  
Hypnotize Minds, oh yeah it's true
