Sad sad me...know what your wishing
But your making your entrance a bit too late
Sad sad me...I hear your confession
But you'll get no repentance from me
All we have is here today
That's all we had to say
Giving your sadness...giving your sadness...away
Sad sad heart... I feel you breaking
But there is a place that you can go
Far far away...but still deep inside you
I know that with hope there is a way
This could be our greatest day
Close your eyes and feel your way
Giving your sadness...giving my sadnessâ€¦giving our
sadness...away
Sad sad me... I hear your confession
And you'll get your repentance from me
Find in you another day
Close your eyes I'll lead the way
Giving your sadness, giving my sadness, giving our
sadness...away
There is a place for you out there

I know that you will find the way

Leave your fears in yesterday

Give all your sadness away

Giving your sadness...sad sad me

Giving your sadness...sad sad me

Giving your sadness...sad sad me
