This is Lifehouse, not Nixons..

If shame had a face I think it would kinda look like mine  
If it had a home would it be my eyes?  
Would you believe me if I said I'm tired of this  
Well here we go now one more time

Chorus: I tried to climb your steps  
I tried to chase you down  
I tried to see how low I could get down to the ground  
I tried to earn my way  
I tried to change this mind  
You'd better believe I tried to beat this  
When will this end? It goes over and over and over  
again  
Keep spinning around  
I know that it won't stop  
Till I step down from this for good

I never thought I'd end up here, never  
Thought I'd be standing where I am  
I guess I kinda thought it would be easier than this  
I guess I was wrong, now one more time
