Need to find me a woman with a Mercedes-Benz
Need to find me a woman who's got rich friends
I need something to fall back on
Just in case nobody likes this song
Need to find me a woman with a Cadillac
Need to find me a woman who can scratch my back
I need something to fall back on
Just in case I don't make a hit out of this song
Need to find a way to make you smile
If I keep drinkin'... by 25 I'll die
I need something to calm me down
Just in case you're not always around
Need to find a way to be a part of your life
I should throw away my guitar and buy a suit and tie
I need something to last my whole life long
So I think I'll rely on this song
