[DIAMONDS:]

I was born a unicorn

I missed the ark but I could've sworn you'd wait for me

[GINGER:]

I was born a unicorn

I could of sworn you believed in me.

Then how come all the other Unicorns are dead?

[DIAMONDS:]

Put your crystal's under my pillow

[GINGER:]

Send your epistle to my bedfellows

[DIAMONDS:]

If I stop believing in you

[GINGER:]

If you stop believing in me

[DIAMONDS:]

If I stop believing in you

[GINGER:]

If you stop believing in me

We're the Unicorns,
We're more than horses,
We're the unicorns,
And we're people too!
