No scripts for normal people
We haven't a minute to think about our lines
And everybody's ideals drop down
Too bad, and stupid
Hey miss Hollywood actress
Collagen for breakfast? Yeah

Covered in glitter but I'm not shining
Like you do, maybe I could
Maybe I could soon
American melodrama episode
Right now, with you

Don't dance unless they pay
So you can afford to call in sick
To think of me
At least you'll have nice thoughts this afternoon
You stole my lips
And tangled them without intent
Kiss and tell the radio
Lose your dress darling
You won't need it here
Lose...

Covered in glitter but I'm not shining
Like you do, maybe I could
Maybe I could soon
American melodrama episode
Right now, with you

Covered in glitter but I'm not shining
Like you do, maybe I could
Maybe I could...
American melodrama episode
Right now

So what to do?
(I really thought I could)
Forget you, forget you
It's all down to you
Yeah yeah

So what to do?
(I really thought I could)
Forget you, forget you

Lose, lose you
Lose, lose you
