The piano from the movie
Is stuck in a minor chord.
Don't try and tell me something,
Then say that you forgot it.
The porch lights turn off,
But it's fine.
I don't need to see your pretty face,
To feel, happy, for smiles.

When I'm counting on you,
Just for now.
To say cutie things, to me,
Like "hey, nice teeth"
And you'll catch cold,
By not using bow ties,
To wrap your sentences.

Incentive to wake at 4am,
To write poems with eyeliner.
Don't wake (up)
Don't wake (up)
It's too late to fall back to sleep.
Fuck lullabies, let's harmonise.

(The stars on your ceiling glow)

If all I did,
If all I said.
This is not a bruise from falling for you.
This is not a bruise from falling for you.
Look close, as if you care.

(This, bruise)

This is not a bruise,
From falling for you,
This is not a bruise
This is not a bruise,
From falling for you,
This is not a bruise

We fall, we break,
And take and watch this fall away.
We fall, we break,
And take and watch this fall away
We Fall, we fall, we fall
We fall...
We fall...

Cause I'm counting on you,
Just for now.
To say cutie things, to me,
Like "hey, nice teeth"
And you'll catch cold,
By not using bow ties,
To wrap your sentences.

This is not a bruise,
From falling for you,
This is not a bruise
This is not a bruise,
From falling for you,
From falling for you,
This is not a... (bruise)
