Alienated soul
Ghost in the mirror
On the telephone
Empty body flashing in the water
I'm a boy in the ocean

Alienated soul
Can you hear me?
Hate eyes before you scare me
Look at me
And open closed eyes
It's your boy in the ocean

For I cry into this ocean
Hate eyes hear me
Bless me and go to a mountain to see My morning boy

Closed eyes open
Take me home alienated soul
I'm a boy in the bushes
Take me home
Alienated soul it's your boy in the ocean

I'm a boy in the ocean
