Epilepsy is dancing
Shes the Christ now departing
And Im finding my rhythm
As I twist in the snow

All the metal burned in me
Down the brain of my river
That fire was searching
For a waterway home

I cry glitter is love!
My eyes pinned inside
With green jewels
Hanging like Christmas stars
From a golden vein

As I came to a screaming
Hold me while Im dreaming

For my fingers are curling
And I cannot breathe

Then I cried in the kitchen
How Id seen your ghost witching
As a soldering blue line
Between my eyes

I cry glitter is love!
My eyes
Pinned inside
Sea green jewels
Hanging like Christmas stars
From a golden vein

Cut me in quadrants
Leave me in the corner
Oh now its passing
Oh now Im dancin
