well and i can and i die  
i can, i die

well and i'm freezing  
i'm freezing

well it's a sly curse  
a sly curse

well and i'm spiralling  
i'm spiralling..

in my broken heart game  
i've got all my files  
i've got all my ones to choose from  
i gave waiting for you  
waiting for you

i'm ravaged like a dog in heat  
i'm gone, gone  
In Cartesian Wells I gave ?  
i am, i'm undone  
i am undone.

where go, where now  
i can't stand  
if i can, i can die  
i'm freezing; sly curse  
i'm spiralling

in my cruel life god poisoned  
i was born worn  
not a girl and not a jewel  
i am, i am some son  
i am some bum.

where go, where now  
i can't stand  
if i can, i can die  
i'm freezing; sly curse  
i'm spiralling  
spiralling

spiralling
