Ooh, thank you for your love Thank you for your love When all is falling in the seizure of pain Ooh, thank you for your love

Thank you for your love
Thank you for your love
When I was lost in the darkness
Ooh thank you for your love

I want to thank you, ooh Thank you, thank you

Thank you for your love
Thank you for your love
When my mind was broken into a thousand pieces
Oh thank you for your love

I want to thank you, ooh Thank you, thank you

Thank you
I thank you, I thank you

I thank you I thank you, I thank you I thank you I thank you, I thank you
