This is a song about mistrust

Mistrust

What is mistrust?

Brotherhood, pal, brotherhood

This one's called brother rat

1, 2, 3, 4

Well let's go out

And see what we see

Well let's go out

And see what we see

Just you and me

Just you and me

We'll see what we see

Just you and me

And there will be no other

Brother

We'll knock back a few (we'll knock back a few)

And talk about life (and talk about life)

We'll knock back a few (we'll knock back a few)

And talk about life (and talk about life)

And what is right (and what is right)

And what is right (and what is right)

Yeah we'll talk about life (we'll talk about life)

And what is right (and about the world cup and all those stupid idiots)

And there will be no other

Brother

Buddy

Pal

Comrade

Friend

Buddy

Pal

Comrade

Friend until the end

A shake of the hand (a shake of the hand)

A pat on the back (a pat on the back)

A shake of the hand (a shake of the hand)

A pat on the back (a pat on the back)

And there will be no other

We're one in the same

You and me

We're one in the same

You and me

We're brothers

We're brothers in arms

We're friends until the end

We're brothers

We're brothers in arms

Until the end

Your end

A brother rat

A brother rat
