I
I don't mind the rain
It reminds me of the days
We used to hideaway
together
I don't mind the rain
No sunshine in my way
I'm closer to the pain
of losing you
I don't mind the rain

II
I don't mind the dark
This aching in my heart
Cause I don't want to start
moving on
I don't mind the dark
I can dream we're not apart
Without the light
reminding me
I don't mind the dark

Chorus:
I don't want to learn to live without you
Don't want time healing these wounds
The Doctor said everything was allright
here I am alone again tonight
But all this hurting keeps your memory near
So if these tears in my eyes never dry
I don't mind

Chorus with variation:
I don't want to learn to live without you
Don't want time healing these wounds
Why did the doctor say everything was allright
and here I am alone again tonight
All of this hurting keeps your memory near
So if these tears in my eyes never dry

Bridge:
I don't mind the sadness
