Verse I:

My trip to the mailbox brought back more good news
Guess their gonna shut the lights off later this
afternoon
Peters got a lock on his back door
Pauls not getting paid no more
But I'm Rich

Chorus:

A kiss every morning with My coffee cup
Tail wagging dog when I wake up
I do my banking by the riverside
My savings on the count of my sweet wife
Monday morning I'm back in the ditch
Yeah I'm rich

Verse II:

Can't afford the store so we'll eat good tonight
Cause the garden's in we'll eat dinner by candlelight
Don't need that bad news on the tube
Grab that old guitar and hum a tune
Yeah I'm rich

Repeat Chorus:

A kiss every morning with My coffee cup
Tail wagging dog when I wake up
I do my banking by the riverside
My savings on the count of my sweet wife
Monday morning I'm back in the ditch
Yeah I'm rich

Bridge:

When the world gets to much to handle
I take a look at what I've got
My health, The love of my family
I put the rest in the hands of God

Repeat Chorus:

A kiss every morning with My coffee cup
Tail wagging dog when I wake up
I do my banking by the riverside

My savings on the count of my sweet wife
Monday morning I'm back in the ditch
Yeah I'm rich

Man I know life's a bitch
Yeah I'm rich
