I

I'm about tired of this daily grind
What do you say we leave it all behind
and run----- for the border

II

These winter blues have really got you down
Pack your bags we're leaving town
Gunna run----- for the border

Chorus:

We'll mix a little sunshine, salt, tequilla and lime
a good recipe for a real good time
down were peace of mind is made to order
Run----- for the border

III

That sweet smile looks good on you
It's been awhile since it's shone through
Yeah run----- for the border

Repeat Chorus:

We'll mix a little sunshine, salt, tequilla and lime
a good recipe for a real good time
down were peace of mind is made to order
Run----- for the border

Bridge:

Palm trees blowin, waves rollin in
Our problems fade like the pale on our skin
Wishin these days----- would never end

Repeat Chorus:

We'll mix a little sunshine, salt, tequilla and lime
a good recipe for a damn good time
down were peace of mind is made to order
Run----- for the border

Yeah Run----- for the border
